

Living Will Declaration

LIVING WILL DECLARATION OF _____

Declaration made this ____ day of _____ (month), ____ (year), I, _____, being at least eighteen (18) years of age and of sound mind, willfully and voluntarily make known my desires that my dying shall not be artificially prolonged under the circumstances set forth below, and I declare:

If at any time my attending physician certifies in writing that: (1) I have an incurable injury, disease or illness; (2) my death will occur within a short time; and (3) the use of life-prolonging procedures would serve only to artificially prolong the dying process, I direct that such procedures be withheld or withdrawn and that I be permitted to die naturally with only the performance or provision of any medical procedure or medication necessary to provide me with comfort, care or to alleviate pain, and, if I have so indicated below, the provision of artificially supplied nutrition and hydration. (Indicate your choice by initialing or making your mark before signing this declaration):

_____ (initials) I wish to receive artificially supplied nutrition and hydration, even if the effort to sustain life is futile or excessively burdensome to me.

_____ (initials) I do not wish to receive artificially supplied nutrition and hydration, if the effort to sustain life is futile or excessively burdensome to me.

_____ (initials) I intentionally make no decision concerning artificially supplied nutrition and hydration, leaving the decision to my healthcare representative or my attorney-in-fact with healthcare powers.

In the absence of my ability to give directions regarding the use of life-prolonging procedures, it is my intention that this declaration be honored by my family and physician as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences of the refusal.

I understand the full impact of this declaration.
