## GoLytely Split Prep

### BEFORE THE PROCEDURE

- If you are on blood thinners/anticoagulants, please contact your prescribing physician before discontinuing your medication. Medication guidelines are included [here](#).
- Colonoscopy prep will likely require the purchase of some over-the-counter medications and food/drinks allowed on the low fiber and clear liquid diets. Shopping list, allowed foods and foods not allowed are included in this document.
- If you are being sedated, please plan to have a friend/family member adult driver (age 18+) for after your procedure.

### THE PREP

- Be sure to have access to a restroom. Individual response time to prep may vary. You may have loose stools.
- You may be uncomfortable/bloated and feel chilled until you start having bowel movements (2-4 hours). Drinking warm, clear liquids such as tea, warm apple juice or hot water can help.
- Alcohol-free baby wipes may help ease skin irritation.
- Use over-the-counter hemorrhoid pads if necessary.

### THE APPOINTMENT

- Bring to the appointment:
  - List of all current medications (including allergy or over the counter)
  - Inhalers
  - Photo ID and up-to-date insurance information
  - Leave valuables (jewelry, smart watches, cell phones) at home or with your driver
- Arrive 1 hour prior to scheduled procedure time.
- You MUST have a friend/family member adult driver (age 18+) remain in the building throughout the entire procedure and available to drive you home after your procedure.
- Taxi/cab, Uber/Lyft, bus and medical transport are NOT acceptable rides home unless accompanied by an adult (age 18+) friend/family member.

## **AFTER THE PROCEDURE**

Because of the sedation given during the procedure, you may experience sleepiness, dizziness, forgetfulness or lightheadedness. Your judgement and reflexes may be impaired. These are normal reactions to the medication that can last for the remainder of the day.

## **FOR THE REMAINDER OF YOUR PROCEDURE DAY**

- **DO NOT** drive a vehicle or operate complex machinery
- **DO NOT** perform any strenuous activity
- **DO NOT** drink alcohol
- **DO NOT** smoke unsupervised
- **DO NOT** make any legal decisions
- Additional information will be included on your discharge instructions

## **SHOPPING LIST**

### **Required Items**

- Allowed food for low fiber/low residue diet
- Allowed beverages for clear liquid diet
- GoLytely®, CoLyte®, NuLytely Prep® (polyethylene Glycol)
- Three Simethicone (GAS-X) 125mg tablets available over the counter.

### **Optional Items**

- Hemorrhoidal pads
- Alcohol-free baby wipes
